13 August 2003

Basis for Revision

- Promulgation of DODI 5000.64
- GAO Audit of Government Purchase Card
- FASAB determination to classify ND PP&E as General PP&E

DODI 5000.64

- General language and definitions altered to be consistent with this higher policy. However, no substantial change to requirements or policy.
- Includes consistent definition of “pilferable”.

GAO Audit of Purchase Card

- Definition of “pilferable” changed to reflect DODI definition.
- Reporting requirement unchanged, ie: required for the Command’s mission and cannot be easily repaired or replaced.
- Risk assessment required. Practice good management.

FASAB Decision on ND PP&E

- Eliminated term ND PP& E. Now referred to as Military Equipment.
- States that although Military Equipment is now considered General PP&E, the treatment of this material is not covered within the scope of the SECNAVINST.
